»Spread the word about what an amazing activity scent work is for all kinds of dogs!«

Come and have FUN with your dog!

Who can compete in a trial/match? Any and all dogs that are 10 months or older, on the day of the trial/match or the Target Odor Test (TOT), are eligible to compete. Dogs with disabilities are welcome. Please review the rules for proper steps to enter dogs with disabilities.

Do I Need to Register with PSD? PSD registers dogs not people. A \$30 registration fee is good for the lifetime of the dog and can be done instantly on-line.

What if I don't pass the TOT? You can still play!! Dogs must pass a Target Odor Test (TOT) in order to compete in the Standard Division. However, if you do not pass, you are still allowed to enter the trial as FEO (For Exhibition Only) for the day.

My dog has a Nose Work title from a different organization, do I have to pass a TOT? If you have already passed an odor test in another scent work organization, you do not have to take the TOT. Dogs with a NW3, SDDA Excellent or UKC Level 5 title may skip the Novice level and start PSD at the Advanced level. Please send a copy of your test results to info@performancescentdogs.com in order to register.

Do I have to compete in every class element at every trial? Dogs do not have to compete in all five class elements to participate in the trial.

If I successfully title in one element, must I stay in that class level until all 5 classes are finished at that level? When successfully completing one class element title, you may move up to the next class level. You are not required to complete all class elements first. For example, if you finish title requirements in Exterior but not in Containers. You may move up to Advanced Exterior while continuing to compete in Novice Containers.

Can I watch other competitors? Yes you can watch, either after you run or you can watch a different level compete.

Can my friend videotape my searches? Yes! And you may post them anywhere you like once the judge calls, "All clear".
